For Immediate Release

Subject: FREE Opioid Overdose Reversal Training

FREE Opioid Overdose Reversal Training and Naloxone Distribution

Life Compass Church will be hosting a FREE Naloxone Training and information session for all community members in Kankakee County. Coroner Robert Gessner will present on the current state of opioid use and overdose death in Kankakee County. The Kankakee County Health Department will conduct an Opioid Overdose Reversal and Prevention training for all participants.

The training will take place Thursday February 7th from 5:30-7:00pm. Refreshments will be served from 5:15-5:30pm.

During the training, each participant will receive;

- An understanding of the opioid epidemic and addiction in Kankakee County and Statewide.
- Instructions on how to use NARCAN[®] (naloxone HCl) Nasal Spray, the drug used to reverse opioid overdose.
- A FREE Narcan Kit that includes one 4mg dose of NARCAN[®], rubber gloves, Narcan quick guide, and community substance use resource guides.

Please register by February 6th by contacting Life Compass Church in person

Address: 175 S. Wall St. Kankakee
