

COVID-19 Testing

AMITA Health St. Mary's Hospital Kankakee

500 W. Court Street, Kankakee, IL 60901

Times: **Monday – Friday**
10am – 6pm

Saturday
8am – 10am

Sunday
8am – 10am

Instructions for Testing:

- Call your primary care provider for pre-screening and request an order for **COVID-19** testing.
 - If you do not have a primary care provider or have concerns about insurance, please contact our hotline number at **815.928.6431**.
 - Pre-register by calling **815.937.2187**. You will be asked for your primary care provider's name and your insurance information.
 - When you arrive for testing, stay in your car if you are only receiving a COVID-19 test. Wear a mask or other face covering and follow the signs to the testing area. Present your insurance card and identification when requested.
 - If you are receiving a COVID-19 test in conjunction with other lab or imaging tests, instructions will be given to you following your COVID-19 test.
 - Results will be called to your primary care provider's office. They will contact you directly with the results.
- AMITA Health St. Mary's Hospital has also established a hotline number at **815.928.6431** to answer any COVID-19 related questions. Or visit **AMITAhealth.org**

If you are in any distress and require a full examination, please contact our Emergency Department or call 911.
