

COVID-19 Testing

AMITA Health St. Mary's Hospital Kankakee

500 W. Court Street., Door 1A (South side of campus, adjacent to the Main Entrance, Door 1)
Kankakee, IL 60901

Times:

Monday – Friday
10 am – 6 pm

Saturday
10 am – 12 pm

Sunday
Closed

Instructions for Testing:

- Call your primary care provider for pre-screening and request an order for **COVID-19** testing.
- If you do not have a primary care provider, please contact our hotline at **815.928.6431**.
- Pre-register by calling **815.937.2187**. You will be asked for your primary care provider's name and your insurance information.
- When you arrive for testing, stay in your car if you are only receiving a COVID-19 test. Wear a mask, scarf or other face covering and follow the signs to the testing area. Present your insurance card and identification when requested.
- If you are receiving a COVID-19 test in conjunction with other lab or imaging tests, please enter through Door 1A. Wear a mask, scarf or other face covering. Present your insurance card and identification when requested.
- Results will be called to your primary care provider's office. They will contact you directly with the results.
- AMITA Health St. Mary's Hospital has also established a hotline number at **815.928.6431** to answer any COVID-19 related questions.

If you are in any distress and require a full examination, please use the Emergency Room entrance, but contact us at **815.936.3285** prior to arrival.
